

Amanda A. Honeycutt, Ph.D.

ah@litigationanalytics.com

EDUCATION

Ph.D. Economics, University of Maryland at College Park, 1997

M.A. Economics, University of Maryland at College Park, 1994

B.A. Economics and Political Science, University of North Carolina at Chapel Hill, 1991

EXPERIENCE

Consulting Testifying Economist, Litigation Analytics, Inc. 2025 - present

Senior Health Economist, Centers for Disease Control and Prevention (CDC) 2023 – present

Director of Health Economics Program, RTI International 2013 - 2023

Senior Research Economist, RTI International 2005 – 2023

Research Economist, RTI International 1998 - 2005

Visiting Assistant Professor, Fairfield University 1997 – 1998

PUBLICATIONS

Book Chapter

Honeycutt, A. A., Grosse, S. D., Dunlap, L. J., Schendel, D. E., Chen, H., Brann, E., & Homsy, G. A. (2003). Economic costs of mental retardation, cerebral palsy, hearing loss, and vision impairment. In *Research in social science disability* (Vol. 3: Using Survey Data to Study Disability: Results from the National Health Interview Survey on Disability), B.M. Altman, S.N. Barnartt, G. Hendershot, and S.A. Larson, eds., pp. 207–228. Oxford: Elsevier. <https://doi.org/10.1016/S1479-3547%2803%2903011-2>.

Honeycutt, A. A., Segel, J. E., Imai, K., Rios Burrows, N., Pavkov, M., Schoolwerth, A., & Williams, D. (2008, November). *Medical costs attributable to chronic kidney disease among Medicare beneficiaries*. Poster presented at American Society of Nephrology Renal Week, Philadelphia, PA.

Segel, J. E., Honeycutt, A. A., Imai, K., Schoolwerth, A., Rios Burrows, N., Pavkov, M., & Williams, D. (2008, November). *Laboratory-based diagnosis of chronic kidney disease and claims-based reporting of renal disease: How well do they correspond*. Poster presented at American Society of Nephrology Renal Week, Philadelphia, PA.

Hoerger, T. J., Honeycutt, A. A., & Lesesne, S. B. (2008, June). *Cost-effective strategies for increasing life expectancy in the United States*. Presented at American Society of Health Economists 2nd Biennial Conference, Durham, NC.

Saaddine, J. B., Honeycutt, A. A., Narayan, K. M. V., Zhang, X., & Boyle, J. P. (2007, June). *Projecting eye diseases among people with diabetes: United States 2005–2050*. Presented at the American Diabetes Association meetings, Chicago, IL, June 22–26, 2007.

Honeycutt, A. A. (2007, April). *Estimating cost-of-illness using multiple approaches: An application to diabetes*. Presented at CDC's Prevention Effectiveness and Health Economics Seminar, Atlanta, GA.

Layton, C. M., Honeycutt, A. A., Rojas-Smith, L., West, N. D., Lenfestey, N. F., & Robinson, T. L. (2006, March). *The chicken and the egg: The dynamics of influenza demand and supply*. Poster presented at the National Immunization Conference, Atlanta, GA.

Hicks, K. A., & Honeycutt, A. A. (2006, January). *Comparing children's immunization interventions: AFIX, RR, and WIC*. Presented at the National Immunization Program Tuesday Seminar, Atlanta, GA.

Anderson, W. L., Honeycutt, A. A., & Wirth, K. E. (2005, December). *Cost effectiveness of immunization standing orders programs in North Carolina hospitals*. Presented at the North Carolina Hospital Association Immunization Briefing, Cary, NC.

Anderson, W. L., Honeycutt, A. A., & Wirth, K. E. (2005, December). *Evaluation of standing orders in hospitals for flu and pneumococcal vaccination*. Presented at the North Carolina Hospital Association, Cary, NC.

Rein, D. B., Honeycutt, A. A., & Rojas, O. L. (2005, March). *Do Section 317 financial assistance grants improve immunization coverage?* Poster presented at 39th National Immunization Conference, Washington, DC.

Honeycutt, A. A., Anderson, W. L., Wirth, K. E., & Coleman, M. S. (2005, March). *Evaluation of immunization standing orders programs in North Carolina hospitals*. Presented at CDC National Immunization Conference, Washington, DC.

Rein, D. B., Honeycutt, A. A., & Rojas, O. L. (2005, March). *Measuring the impact of public health programs: The example of immunization control programs*. Presented at Eastern Economics Association, New York, New York.

Anderson, W. L., Honeycutt, A. A., Wirth, K. E., & Coleman, M. S. (2004, November). *Evaluation of immunization standing orders programs in North Carolina hospitals*. Presented at Gerontological Society of America (GSA) Meetings, Washington, DC.

Amanda A. Honeycutt, Ph.D.

Honeycutt, A. A., & Chen, H. (2004, November). *Impact of state diabetes control programs on self-management and health outcomes in people with diabetes*. Presented at 132nd Annual American Public Health Association Meeting, Washington, DC.

Honeycutt, A. A., & Rein, D. B. (2004, November). *Linking public health program activities to health outcomes: Econometric approaches (update on health services research)*. Presented at 132nd Annual American Public Health Association Meeting, Washington, DC.

Rein, D. B., Honeycutt, A. A., & Rojas, O. L. (2004, November). *Measuring the impact of public health programs: The example of CDC's 317 immunization grants*. Presented at 132nd Annual American Public Health Association Meeting, Washington, DC.

Honeycutt, A. A., Anderson, W. L., Wirth, K. E., & Coleman, M. S. (2004, October). *Evaluation of standing orders programs*. Presented at National Immunization Program Seminar Series, Atlanta, GA.

Hicks, K. A., Honeycutt, A., & Scotton, C. (2003, November). *A model for allocating HIV prevention resources in local jurisdictions*. Presented at the Prevention Effectiveness and Health Economics Seminar at CDC.

Honeycutt, A. A., Lacson, R., Scotton, C., & Wen, J. (2003, July). *Cost-effectiveness: Is it time?* Paper presented at the 2003 National HIV Prevention Conference, Atlanta, GA.

Hicks, K. A., Honeycutt, A. A., Earnshaw, S. R., & Richter, A. (2003, July). *A tool for comparing allocations of HIV prevention resources*. Poster presentation at the 2003 National HIV Prevention Conference, Atlanta, GA.

Earnshaw, S., Richter, A., Hicks, K., & Honeycutt, A. (2003, May). *The allocation of HIV prevention funds*. Poster presentation at the Eighth Annual Meeting of the International Society for Pharmacoeconomics and Outcomes Research, Arlington, VA.

Scotton, C., Wen, X. J., Hicks, K., Richter, A., & Honeycutt, A. (2003, March). *Getting from priorities to the allocation of resources: Models for the efficient allocation of HIV*. Workshop presentation at the Community Planning Leadership Summit for HIV Prevention, New York, NY.

Honeycutt, A., Hicks, K., Wen, X. J., & Stapleton, V. (2003, March). *Using results from cost-effectiveness analysis in community planning*. Roundtable presentation at the Community Planning Leadership Summit for HIV Prevention, New York, NY.

Honeycutt, A., & Hicks, K. (2002, December). *A tool for comparing the cost-effectiveness of HIV prevention interventions*. CDC 01158 Grantee meeting and CDC's National Center for HIV, STD, and TB Prevention, Atlanta, GA.

Richter, A., Hicks, K., Honeycutt, A., & Earnshaw, S. (2002, December). *A model for allocating HIV prevention resources*. CDC 01158 Grantee meeting and CDC's National Center for HIV, STD, and TB Prevention, Atlanta, GA.

Honeycutt, A. (2002, May). *Forecasts of diabetes prevalence and costs*. CDC Prevention Effectiveness and Health Economics Seminar, Atlanta, GA.

Honeycutt, A. A., Shefer, A., McKibben, L. J., & Williams, C. (2002, May). *CMS-CDC immunization standing orders program project: The cost and cost-effectiveness of standing orders for influenza and pneumococcal vaccines in nursing homes*. Presented at the 36th National Immunization Conference, Denver, CO.

Amanda A. Honeycutt, Ph.D.

Honeycutt, A. A., & Hicks, K. A. (2002, March, April, May). *Making use of cost-effectiveness analysis in the community planning process: Methods and tools*. Presented at 2002 Community Planning Leadership Summit for HIV Prevention, Chicago, IL; the Program Evaluation Research Branch meeting, NCHSTP/CDC, Atlanta, GA; the Project Officers' meeting, NCHSTP/ CDC, Atlanta, GA; and the Oklahoma Community Planning Group meeting, Oklahoma City, OK.

Honeycutt, A. A. (2002, January). *Economic evaluation of standing orders and other immunization programs in LTCs in the U.S.* Presented at CDC Division of Preventive Research and Methods, Mid-Project Summary, Atlanta, GA.

Honeycutt, A., Hoerger, T., Broglio, K., Boyle, J. P., Geiss, L., & Thompson, T. (2001, October). *Forecasts of diabetes in the U.S.: Results from a Markov model*. 129th Annual Meeting of the American Public Health Association, Atlanta, GA.

Honeycutt, A., Hoerger, T., Boyle, J. P., Broglio, K., Geiss, L., & Thompson, T. (2001, October). *Medical costs associated with diabetes in the U.S.* 129th Annual Meeting of the American Public Health Association, Atlanta, GA, October.

Honeycutt, A., McKibben, L., Shefer, A., & Krider, J. (2001, October). *Immunization standing orders program project: Costs and cost-effectiveness in LTCs*. 129th Annual Meeting of the American Public Health Association, Atlanta, GA.

Honeycutt, A., Shefer, A., McKibben, L., Krider, J., & Hokayem, C. (2001, May, June). *Immunization standing orders project: Costs of alternative immunization programs in long-term care facilities*. Presented at the National Immunization Conference, Atlanta, GA, and to the Division of Prevention Research and Methodology, Epidemiology Program Office, CDC.

Honeycutt, A. A. (2000, June, November). *The lifetime costs of developmental disabilities*. Presented at the Conference on the National Health Interview Survey Supplement on Disability, Minneapolis, MN, and to the Division of Birth Defects, Child Development, and Disability and Health, National Center for Environmental Health, CDC.

Honeycutt, A. A. (2000). *Assessing the societal costs of screening young children for elevated blood lead levels*. National Lead-Safe Conference and Exposition, Philadelphia, PA.

Honeycutt, A. A., Gavin, N. I., & Farrelly, M. C. (1999, June). *The impact of managed care on New Mexico's SSI Medicaid recipients, 1990–1993*. Association for Health Services Research Conference, Chicago, IL.

GRANTS, COOPERATIVE AGREEMENTS, AND CONTRACTS

Centers for Disease Control and Prevention (CDC). Simulation Model of Interventions Linking Evidence to SDOH (SMILES). U01DP006758. Award to develop an interactive epidemiologic model of 5 chronic diseases and their risk factors, including risks related to social determinants of health.

Role: Principal Investigator

Award period: July 24, 2023 – July 23, 2024

Award amount: \$750,000

Patient-Centered Outcomes Research Institute (PCORI). Task Order #5: Economic Resource Center, Awarded under the Analytic and Operational Support for the Engagement of the Public and Patients Contract. Provided support to PCORI for refining its guidance for awardees around collecting the full range of clinical and patient-centered outcomes data.

Role: Project Director

Award period: September 1, 2021 – September 1, 2023

Award amount: \$1,165,933

Amanda A. Honeycutt, Ph.D.

CDC. Mathematical Modeling and Economic Evaluation Support Services. Task Order 1.
75D30123D15829

Role: Project Director

Award period: April 4, 2023 – April 3, 2024

Award amount: \$643,305

HIV+Hepatitis Policy Institute. Costs of Pre-Exposure Prophylaxis (PrEP) in the United States.

Role: Project Director

Award Period: April 2022 – October 2023

Award amount: \$74,288

National Institutes of Health. Pelvic Floor Disorders Network Data Coordinating Center
U24HD069031. Support cost-effectiveness analyses of surgical interventions evaluated in the
network.

Role: Co-Investigator; Economic evaluation lead

Award period: July 2020 – June 2023

Award amount: \$12,907,607

RWJBarnabas Health and New Jersey Prevention Network (combined funding). Develop the
SUPPORT-NJ model of substance use prevention impacts among youth and young adults in New
Jersey counties.

Role: Principal Investigator

Award Period: June 2019 – June 2022

Award amount (combined across funders): \$195,000

CDC. Economic Evaluation of HIV Prevention in the United States. Completion of 6 HIV modeling
and economic evaluation task order contracts with CDC's Division of HIV Prevention.

HHSD200201793666I

Role: Project Director

Award Period: September 2017 – March 2023

Award amount: \$2,998,789

HONORS AND AWARDS

Allan G. Gruchy Graduate Fellowship, University of Maryland at College Park, 1996 to 1997

RTI International Highly Published Author Award, 2008, 2009, 2013, 2015, 2016, 2018, 2019, and
2021

System Dynamics Society Applications Award, 2011

RTI International President's Award, 2012 and 2022

CDC Director's Award for Collaboration. National Center for HIV, Viral Hepatitis, STD, and
Tuberculosis Prevention. Awarded to the Epidemiologic and Economic Modeling Agreement Team,
2025
