EXPERIENCE

Senior Managing Economist and Principal, Litigation Analytics, Inc. January 2024 - present

Conduct analyses regarding economic loss in cases involving personal injury and wrongful death, including analysis of earnings, including related topics of education and occupation, non-wage benefits, non-market services, personal expenditures, household decisions and personal expenditures. Concentrated emphasis on evaluating earnings, fringe benefits, and future medical costs of infants. Provide testimony at deposition and trial regarding pricing errors appearing in life care plans and the results of the application of economic science, contrasting these to the methodologies of the opposing party's economist.
